Item 2

Cask of Amontillado text

Introduction

The video and the writing of the Cask of Amontillado had many similarities and differences. I will be comparing and contrasting the two pieces of literature.

Description of cask of Amontillado video

The Video portrayed that in the world of Fortunato is A more dark, dank, and it gives off a bigger "reliance on the antagonist". In the video Fortunato was entirely defenseless and it showed how weak he was and how little will he has to resist any

Description of Cask of Amontillado text

In the writing of the Cask of Amontillado It describes in much better detail how Montresour is convinced that Fortunato needs to die. Montresour is said to have savoured hearing Fortunato in his torture.

Conclusion

The video and text writing of "The Cask of Amontillado" had differences and similarities. Including mood, and how much reliance the characters had point through point. The difference between each scene is obvious, like you can tell how
